

NI Holdings, Inc.

NI Holdings, Inc. (NODK) Financial Supplement Second Quarter 2025

Prior to the sale of Westminster on June 30, 2024, the Company had six reportable segments as described below. The Commercial segment consisted primarily of Westminster's balances and results. As a result of the sale, Westminster's results have been removed from the Commercial segment for all 2024 amounts (as discontinued operations) and any remaining commercial business not associated with Westminster has been reclassified to All Other.

Private Passenger Auto: provides protection against liability for bodily injury and property damage arising from automobile accidents and protection against loss from damage to automobiles owned by the insured.

Non-Standard Auto: provides limited protection auto insurance for both bodily injury and property damage.

Home and Farm: provides coverage for damage to buildings, equipment, and contents for a variety of perils, including fire, lightning, wind, hail, and theft; also covers liability arising from injury to other persons or their property while on insured's premises.

Crop: provides multi-peril crop and crop hail insurance. Multi-peril crop is a federal insurance program to provide protection against a variety of potential damages to crops, including both weather and non-weather causes. Crop hail is private coverage to provide protection against losses to crops due primarily to hail damage.

All Other: includes commercial liability and physical damages coverages, excess liability and other coverages and assumed reinsurance pools.

Notes:

(A) Values exclude results of Westminster which are shown separately as discontinued operations for GAAP reporting purposes.

(1) Underwriting and general expenses include the deferral and amortization of policy acquisition costs.

(2) Underwriting gain (loss) equals net premiums earned less losses and loss adjustments expenses and underwriting and general expenses.

(3) The loss and loss adjustment expense ratio equals losses and loss adjustment expenses divided by net premiums earned.

(4) The expense ratio equals amortization of deferred policy acquisition costs and underwriting and general expenses, divided by net premiums earned.

(5) The combined ratio equals losses and loss adjustment expenses, amortization of deferred policy acquisition costs, and other underwriting and general expenses, divided by net premiums earned.

Notes:
(A) Values exclude results of Westminster which are shown separately as discontinued operations for GAAP reporting purposes.
(3) The loss and loss adjustment expense ratio equals losses and loss adjustment expenses divided by net premiums earned.
(6) Direct premiums written represents the amount of insurance premiums purchased by policyholders during the period.
(7) Multi-peril crop and crop hail insurance premiums are generally written in the second quarter and earned ratably over the remainder of the calendar year. First quarter activity is the result of minor prior crop year adjustments which typically occur annually during first quarter.
(8) All other includes primarily commercial, excess liability, and other insurance coverages, as well as assumed domestic and international reinsurance programs which are intended to diversify the risk exposure of the company.
